Xola Ngece

I am committed to professional growth, demonstrated by my academic achievements and a genuine passion for IT. I possess theoretical knowledge in both software development and networking. I am attracted to CAPACITI: ABSA's comprehensive approach, offering not only training in software development principles but also real-world work experience, industry-specific knowledge, and ongoing mentorship.

OBJECTIVE

Aspiring IT graduate with a strong passion for software development, seeking to join the CAPACITI: ABSA Software Development Program. Eager to leverage theoretical knowledge in software development to excel in the 18-month full-stack web development program.

EXPERIENCE

CASHIER/FLOOR ASSISTANT MKEM 24 HOUR PHARMACY.
March 2017 – January 2019

As a cashier my duties were to manage transactions with customers, collect payments whether in cash or credit, cross-sell products and introduce new ones, track transactions on balance sheets and report any discrepancies, and handle merchandise returns and exchanges.

STOCK CONTROLLER CITY-KEM PHARMACY
March 2016 – January 2019

As a stock controller my duties were to receive stock from the suppliers, check for any damaged goods, monitor expiry date, And make sure the prices on the shelf are the same prices that are on the system.
